Re: DFARS

Dear Valued Customer,

All products produced by Polymer Industries are in full compliance with Certain Articles Containing Specialty Metals requirements cited in DFARS clause 252.225-7009 (formally 252.225-7014 Preference for Domestic Specialty Metals, Alt 1, as classified in Subpart 225.7002-3 (b)(1)).

More specifically:

All Polyethylene and Polypropylene materials are in compliance.
All the Mechanical Division Materials are either in compliance or exempt.

Best Regards,

Mohammed Jafar
